

3232 TUTORIAL SERVICES

Teachers shall not give private academic tutoring for compensation to any child enrolled in their classes or a class they are currently teaching (i.e. Spanish I, Calculus), unless there is no alternative as determined by the building principal. Members of the administrative, supervisory, and consultative staff shall not engage in private tutoring of children enrolled in Ridgewood Schools. Music teachers and other district employees may privately give vocal or instrumental lessons.

Private academic tutoring shall not interfere with the professional responsibilities of the staff member, and shall not take place on school grounds or in school facilities. Music teachers and other district employees who give private vocal or instrumental lessons may not do so on school grounds or in school facilities unless they do so through the Ridgewood Community School or pursuant to the Board's "Facilities Use" Policy.
